jxl631@miami.edu

(786) 620-7836

1250 S Alhambra Cir APT6, Coral Gables, FL33146

## Education

---

**Master of Arts in Journalism, University of Miami, Coral Gables, FL (May 2016)**

**Bachelor of Arts in Chinese Language and Literature; Minor in English Education, Harbin Normal University, China (June 2013)**

## Work Experience

---

**Editor, Sohu.com (Dec 2013~ June 2014)**

- Chose the most important news for the homepage of www.sohu.com
- Revised the titles of reports to deliver the most essential meanings

## Internship

---

**Multimedia Intern, Special Olympic Unified Relay Across America (May 2015 ~ July 2015, US)**

For the 2015 Special Olympic World Games in Los Angeles, there were three torch run routes across America from coast to coast to pass the flame of hope. I am one of the three media staffs of the documentary team in Central Route, which started from D.C. to LA.

- Photographer. Shot photos to catch the great moments in the relay and everyday community celebrations.
- Videographer. Shot videos to document the process of relay, celebrations and behind the scene stories.
- Editor. Edited recap video for weeks and the final recap video for all three routes.

**Intern Reporter, Southern Metropolis Daily Beijing News Bureau (Dec 2012~ May 2013, Beijing, China)**

- Reported on domestic and foreign political news, often by conducting interviews and researching documents
- Supervised and investigated results of important rules and regulations
- Reported the ‘two sessions’ of 2013 (NPC & CPPCC): analyzed conferences, bills, and central files
- Attended news conferences on foreign affairs and wrote in-depth reports after research and interviews.
- Published 26 articles
  - “Number of International Adoptions Reaches Lowest Point in 17 Years”
  - “The Core of The Super Ministry Reform: Cut Down Government’s Power”
  - “Rehearing the Anti-Corruption Report by NPC Standing Committee, 24 Years Later”

**Founder& Chief Editor, Un- Ha (Nov 2011~ Nov2012, Harbin, China)**

- Set up a student group for the E-magazine, *UN-Ha*, the first branch E-mag of China Campus in Northeast China
- Decided subjects for each E-magazine issue, arranged interviews, edited contents, and typeset the magazine with iebook

**Intern Journalist, Social Department at Shenyang Daily (July 2011~ Sep 2011, Shenyang, China)**

- Interviewed members of local communities, fire brigades, and other organizations
- Report daily news, collected data from authority websites, and designed special reports

## Research Experience

---

**Project leader, National Social Science Program, ‘Research on Genre Literature and Mass Culture’ (Sep2012~ June 2013, Harbin, China)**

- Lead the group to do field work, explore the daily life Lao Daowai District
- Consulted relevant materials, performed field interviews, sorted out analysis and research results, and wrote research reports
